

PHIN-MS Instructions for sending test and production

For configuring your PHINMS Sender to send **test** NND Case Notification, set the following "route" information:

1. URL = <https://phinmsstg.cdc.gov/phinms/receivefile>
2. Party-ID = 2.16.840.1.114222.4.3.2.2.2.1.2 (receiver party ID)
3. authentication = clientcert
4. Service = NND_Case_Note
5. Action = send

For configuring your PHINMS Sender to send **production** NND Case Notification into the staging environment prior to sending into production set the following "route" information:

1. URL = <https://phinms.cdc.gov/phinms/receivefile>
2. Party-ID = 2.16.840.1.114222.4.3.2.2.2.1.1 (receiver party ID)
3. authentication = clientcert
4. Service = NND_Case_Note
5. Action = send
6. Argument = DMB_STAG

For configuring your PHINMS Sender to send **production** NND Case Notification, set the following "route" information:

1. URL = <https://phinms.cdc.gov/phinms/receivefile>
2. Party-ID = 2.16.840.1.114222.4.3.2.2.2.1.1 (receiver party ID)
3. authentication = clientcert
4. Service = NND_Case_Note
5. Action = send

SDN Instructions

Requesting a **new** SDN digital certificate

1. click on the below link and go to page 14
http://www.cdc.gov/phin/library/documents/pdf/PHINMS%20Implementation%20Guide%20v2.8.00_04-14-08.pdf

Requesting SDN **test** activity

1. go to <https://sdn.cdc.gov>
2. enter your challenge phrase
3. click on "Request Additional Activities"
4. click on "List Activities"
5. When prompted for a program & activity, use: Program = "test", Activity = "PHINMS 2.0"

Requesting SDN additional **production** activity

1. go <https://sdn.cdc.gov>
2. enter your challenge phrase
3. click on "Request Additional Activities"
4. click on "List Activities"
5. when prompted for a program & activity, use: Program = "Public Health Information Network", Activity = "PHINMS 2.0"

Important Information about OIDs and Party IDs: You will need a **sender party ID** to identify the sending facility in PHIN-MS and an application OID to identify your state application. You may obtain your state's sender party ID and application OID by emailing a request to phintech@cdc.gov (email subject should be "requesting sender party ID and application OID for state name here"). Also include the application name, the name, phone number, and email address of the state contact responsible for the application (the state application sending the HL7 v2.5 messages). To request an **organization OID** send an email to phindirhelp@cdc.gov with the organization name and address (i.e. Georgia Div. of Public Health, Two Peachtree St., NW, Atlanta, GA 30303). If you have ANY problems with the above, contact the CDC's PHIN Help desk at 1-800-532-9929, option 2 or phintech@cdc.gov during the day M-F. The Help desk is very familiar with assisting customers with configuring their Senders to send data into CDC.
